

Online Donations + Fundraising

Create, manage, report on your fundraising efforts and donations

Bringing in donations and contributions is almost as essential as growing your member base! Ensure you are maximizing revenue and minimizing administrative time with YourMembership.com's membership management software. It allows you and your staff to easily:

- Manage donation and fundraising campaigns
- Add/edit donation funds
- Create/manage custom donation fields
- Create/manage recurring contribution/donation options
- Set minimum and maximum donation amounts on per fund basis
- Set pre-defined amounts on per fund basis
- Process credit card and pledged donations
- Mass email members who have donated by multiple criteria
- Run reports/create custom queries
- Export donation information

With YourMembership.com, analysis and reporting are made easy – you can monitor your organization's fundraising and donation performance via our Pre-defined Reporting System or the Custom Queries & Reports System.

The Pre-defined Reporting System provides one-click access to information about your funds, receivables, transactions, top 100 donors, and more. And YourMembership.com's Custom Queries & Reports System makes it easy to build your own queries by specifying certain fields, choosing from a variety of criteria, and aggregating results. Then, you can export or print results for use offline or in third-party systems. The Custom Queries & Reports System also features full integration into the Saved Queries System – which allows you to save your unique weekly, monthly and annual reports to be run on-demand with a just a single click.

And best of all, these robust fundraising and donation features are easy to use and can be toggled on-or-off depending on your business needs. With YourMembership.com, you easily can monitor the status and health of your online donations, premier donors and fundraising efforts from one convenient, safe and secure location.
